### **Annexure B - Placement Policy**

The Placement Policy has been developed to establish an environment conducive to fair, transparent, and supportive career advancement. This document outlines the fundamental principles and procedures governing the placement journey of candidates.

It is essential for every Learner to thoroughly review and adhere to the provisions outlined in this Policy.

#### **General Guidelines**

**Individual Effort:** Although the Entri Career Services Team oversees the placement process, securing a job post-program completion is contingent upon the individual's efforts, competencies, credentials, performance in interviews, the company's hiring process, and prevailing market conditions.

**Placement Assistance :** It is clarified upfront that while the Entri Career Services Team extends unwavering support and resources to facilitate successful placements, there is neither an explicit nor implicit guarantee of employment. Mere Completion of any program does not ensure job assurance.

**Regarding Promise of Specific Locations:** Learners are encouraged to be flexible regarding relocation for their placements. Thus, applications should be made to available roles without imposing location-based or similar restrictions. While Entri strives to source opportunities in key cities, it cannot assure positions in any specific locale.

**Regarding Assured Minimum CTC:** While the Entri Career Services Team endeavors to secure favorable outcomes for all participants, it does not commit to a guaranteed minimum "CTC" for any individual learner or the entire batch.

**Employer Credibility Verification:** Entri aims to assess the financial soundness of employers; however, it does not endorse the suitability of the work environment or the employer's status as the best. It remains the Learner's responsibility to conduct additional checks on the employer's credentials.

#### **Eligibility Requirements**

To qualify for placement opportunities, learners must meet the following conditions:

**Course Completion:** Learners must fully complete their course, fulfilling all curriculum requirements and maintaining necessary attendance levels. Note that some employers might have additional employment criteria, such as specific licenses or background checks, which are not covered by the course completion.

**Disciplinary Record:** Eligibility for placement requires satisfactory completion of the course without any disciplinary actions during or after the course period.

**Final Curriculum Assessment:** Learners must complete and submit all curriculum-prescribed assessments, including assignments, projects, exams, or other relevant evaluation methods. A passing score on the final curriculum assessment is necessary, adhering to the program's grading standards. The highest standards of academic integrity must be upheld, with any cheating or plagiarism leading to immediate disqualification. All assessments must be submitted by the deadlines provided unless extensions are granted by the program coordinators.

**Additional Curriculum Criteria:** Any other requirements set by the curriculum team must also be met.

**Final Placement Assessment:** The placement assessment will occur only after the successful completion of the curriculum assessment. This may involve interviews, skill evaluations, portfolio reviews, or other relevant assessments. Full participation in mock interviews and resume reviews with an Entri expert is mandatory.

**Confirmation of Placement Readiness:** Upon passing the final placement assessment, learners will be confirmed as ready for placement or career opportunities.

### **Additional Placement Guidelines**

**Learner Commitment:** A learner who applies for any job/internship position is obligated to go through the entire selection process unless rejected midway by the company. Any student who deliberately withdraws during a selection process will be considered absent.

**Absenteeism:** A learner failing to attend the Assessment Test, Interview, or any other criterion required by a company after registration and without prior intimation (at least 24 hrs prior to the placement process via email) will be deemed absent. Continued absenteeism may lead to the suspension of the learner's account on Entri placement pool.

**Point of Contact:** For a seamless application process, all questions and inquiries regarding candidacy should be directed to the placement coordinator or Corporate Relations Manager. They will serve as the main point of contact and provide updates on the selection process. Contacting company representatives directly should be avoided unless specifically requested by the company's designated point of contact (SPOC).

**Availability:** All learners are considered available to join immediately for any job opportunities shared. Learners should not decline offers if a company requests an immediate start.

**Prompt Action:** To facilitate a smooth placement process, learners should promptly respond to requests from the Career Services Associate. This includes submitting CVs and participating in any placement-related activities. Consistent delays in responding may limit participation in placement opportunities.

**Professionalism:** During the selection process, learners are expected to interact with company representatives professionally, exhibiting courtesy, respect, and punctuality.

**Confidentiality:** Information regarding opportunities shared by Entri should be kept confidential among relevant parties. Sharing this information with peers or friends may potentially affect one's chances of selection.

**Adherence to Deadlines:** Learners are solely responsible for staying informed about current job opportunities. It is imperative to diligently monitor email and the career services portal for the latest job postings. To be considered for a specific position, students must express interest by submitting an application before the designated deadline. Applications received after the deadline will be ineligible for further consideration.

**Accuracy of Information:** Applicants are reminded that the accuracy of all information provided on their resumes and during interviews is their sole responsibility. Entri will not be liable for any adverse employment outcomes resulting from the submission of false or misleading information regarding education or experience.

**Early Placement:** Depending on recruitment needs, Entri may permit certain learners to participate in placements earlier than scheduled. These learners must continue their coursework and pass any required assessments.

**Eligibility Duration:** The eligibility to apply for positions lasts for twelve months post-course completion, extendable upon request. Career support will continue for lifetime

**First Offer Acceptance:** Entri enforces a policy requiring learners to accept their first job offer through us, after which they are considered placed and ineligible for future opportunities.

**Active Application Requirement:** Eligible learners are expected to apply for at least 75% of the advertised positions, regardless of location. Note that Entri does not guarantee any specific organization/location/role. Failure to apply for more than five continuous open positions will render one ineligible.

**Interview Attendance Obligation:** Learners should be prepared to attend face-to-face interviews if required by the recruiting company once shortlisted. Failure to attend may lead to exclusion from the placement program.

**Interview Opportunities:** Eligible candidates will be granted up to five interviews with our placement partners. However, candidates who do not succeed in securing a position through these opportunities may be given lower priority in subsequent placement assistance considerations.

**Notification of External Offers:** In the event a learner secures a job outside the campus placement process and no longer requires placement assistance, they must notify the institution within two days of accepting the offer.

### **Annexure C- Loan Payments**

Loan cancellations are not feasible under any circumstances. However, in exceedingly rare and extraordinary situations, exceptions may be entertained by the Entri Team following a thorough evaluation process. Such requests, if received within 15 days, will be rigorously assessed, and approval will be granted solely on genuine grounds. However, users should note that even if approved by the User Happiness Team, cancellation will only be processed after clearing all pending EMIs, late payment fees, and penalties. Additionally, a non-refundable cancellation fee equivalent to 10% of the outstanding payment will be applicable. It's important to adhere to the prescribed NBFC procedures for loan cancellation, and failure to comply may adversely affect the applicant's CIBIL Score. Customers are strongly advised to carefully consider their financial commitments and maintain a positive financial standing by adhering to the agreed-upon terms.

Learners who have opted for the ENTRI EMI option, shall pay the agreed installment amount within 30 days from the date of purchase. If no payments are made in 30 days, the course will be locked until the learners clear the due. The due date and payment reminders shall be communicated to the learners via app notifications.

### **Annexure D- Cancellation & Refund Policy**

In the event that a learner has made full payments during admission and wishes to discontinue the course due to unavoidable circumstances, refunds, if approved by the Entri Team, will be provided based on the following criteria: Refunds requested within 0-7 days of purchase will incur a processing fee deduction of 10%. For requests made between 8-15 days, the deduction will be 25% and refund requests made 16 days and above will result in a 100% deduction of the processing fee.

### **Annexure E- Deferral Policy**

If a learner, due to unavoidable circumstances, is unable to commence with the batch and requests a deferral before the batch start date, they may defer to another batch starting within six (6) months from the original batch's start date at no additional cost. The learner may raise a maximum of one (1) batch change request, which must be approved by our academic team. Only one deferral is allowed without incurring an additional cost. After the batch starts, deferral requests will only be accepted within thirty

(30) days from the start date with valid documentation, and only one (1) deferral request will be entertained. Requests made after thirty (30) days will not be accepted, and the deferred batch will be a new batch.

### **Annexure F - Student Code of Conduct**

**Respect Others:** Treat everyone with respect and kindness. Do not engage behavior that is discriminatory, harassing, or abusive towards any individual group based on their race, ethnicity, gender, sexual Orientation, religion, as any other personal characteristic. Always speak and act in a manner that promotes a safe and inclusive community.

**Be Honest:** Academic integrity is essential to our community. Do not cheat or plagiarize in any way. Take responsibility for your own work and acknowledge sources appropriately.

**Be Punctual:** Attend all classes and arrive on time. Notify the mentor in advance if you are unable to attend a class or will be late. Missing multiple classes may cause delays in your placement.

**Collaborate:** Our community values teamwork and collaboration. Work with your fellow students, offer help, and receive feedback in a constructive manner. Whatsapp Group is the official communication platform for the Entri Quantity Surveying Course. Please use the platform for asking doubts or helping fellow students.

**Be Communicative:** Always keep your microphone and video access available for the classes. This helps in keeping the classes engaging and interactive. Avoid disruptive or distracting behavior during class.

**Report Concerns:** If you witness or experience any behavior that violates this code of conduct, report it to the mentor immediately.
