EXPERIENTIAL LEARNING

DEPARTMENT OF GEOGRAPPHY

TEN DAY TRIP -KULLU MANALI AND AGRA

Field Trip to Kullu-Manali and Agra

Date: February 4 to February 12, 2024

Participants: 24 students and 2 teachers

Starting Location: Kollam

Route: Kollam – Kullu-Manali – Agra – Kollam

The Department of Geography at Sree Narayana College for Women, Kollam, organized a memorable field trip for sixth semester students to Kullu, Manali and Agra from February 4 to February 12, 2024. The trip was designed to align with the syllabus and provide students with practical insights into geographical features, cultural heritage, and historical significance. Students observed the geography of the Kullu-Manali region, gaining insight into the unique topographical features of the Himalayas. They noted the impact of altitude on climate, vegetation, and habitation. Visits to Kullu and Manali provided exposure to local cultural practices, traditional agriculture, and tourism's role in the local economy. In Agra, the historical landmarks offered insights into India's rich Mughal history and architecture. The 10-day field trip was successful in providing students with practical knowledge and a deeper understanding of the geographical concepts discussed in class. Both students and teachers benefitted from this experiential learning opportunity, which helped broaden their perspectives on India's diverse physical and cultural landscapes.

KULU AND MANALI

VISIT TO TAJ MAHAL

THE TWO-DAY TRIP TO IDUKKI AND WAGAMON

The two-day trip to Idukki on November 27-28, 2023, for 20 students and two teachers included visits to several scenic spots. On Day 1, the group explored Illikal Kallu and Ramakkalmedu, famous for their stunning rock formations and panoramic views. The day concluded with a visit to Panjali Medu, where students enjoyed the serene landscape. On Day 2, the group visited Thangal Para, a historically significant hill, and Wagamon, known for its lush greenery and cool climate. The trip provided a perfect mix of nature, adventure, and learning, with teachers ensuring smooth coordination and safety throughout the journey.

VISIT TO THANGALPARA, PINE FOREST AND BOTANICAL GARDEN

DEPARTMENT OF MUSIC

Visit to research stations

Students were taken for the research fest at Kariavattom Campus, University of Kerala .

They participated in the panel discussion chaired by Sri Kavalam Sreekumar (Carnatic musician and playback singer), Smt. Rajalekshmi (Playback singer), Sri.Thushar(playback singer and Carnatic musician) and Dr Sunil V T (Dean, University of Kerala) and our student Navami Sanker also won 1st place in the poster making competition related to the fest. The students also participated in the cultural programmes related to the fest.

DEPARTMENT OF PHYSICS

Field Visits

Visit to Radio Astronomy Centre, National Centre for Radio Astrophysics – TIFR, Udhagamandalam by the final year BSc physics students as part of the syllabus on 15/02/2024.

Visit to central laboratory for instrumentation and facilitation (clif), university of kerala, kariavattom campus on 4th may 2024

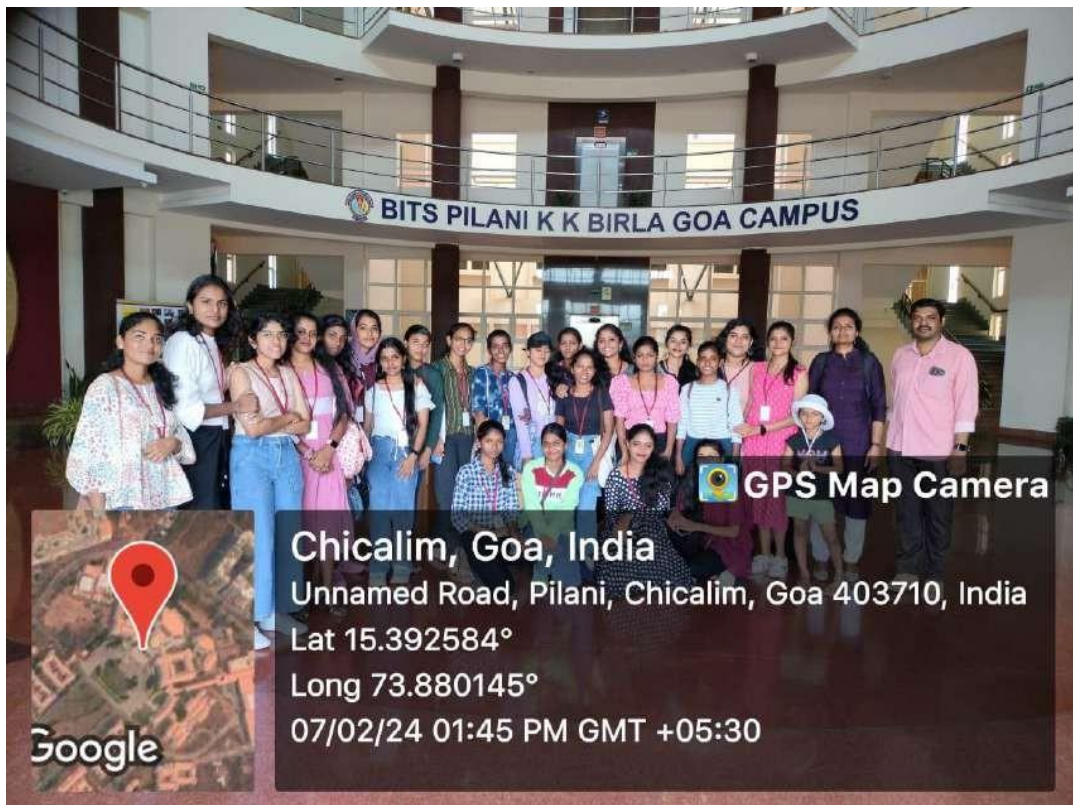

DEPARTMENT OF BIOCHEMISTRY & INDUSTRIAL MICROBIOLOGY

INSTITUTE VISIT REPORT (BITS, Pilani, Goa Campus)

Department of Biochemistry & Industrial Microbiology had arranged an one day visit to the BITS, Pilani, Goa Campus on 07/02/2024. 25 students of Final year and two faculty members of the Department had taken part.

BITS Pilani is a renowned institute offering higher education in the field of science and other scientific disciplines. Our students visited the Biotechnology Department in the campus. Students had an opportunity to interact with the renowned faculty members in the Biochemistry and Microbiology research labs of the Department. They were familiarized with the advanced research equipments and instruments installed in these labs. Students were very much motivated with the experience there.

K K Birla, Goa Campus
Goa

Sir,

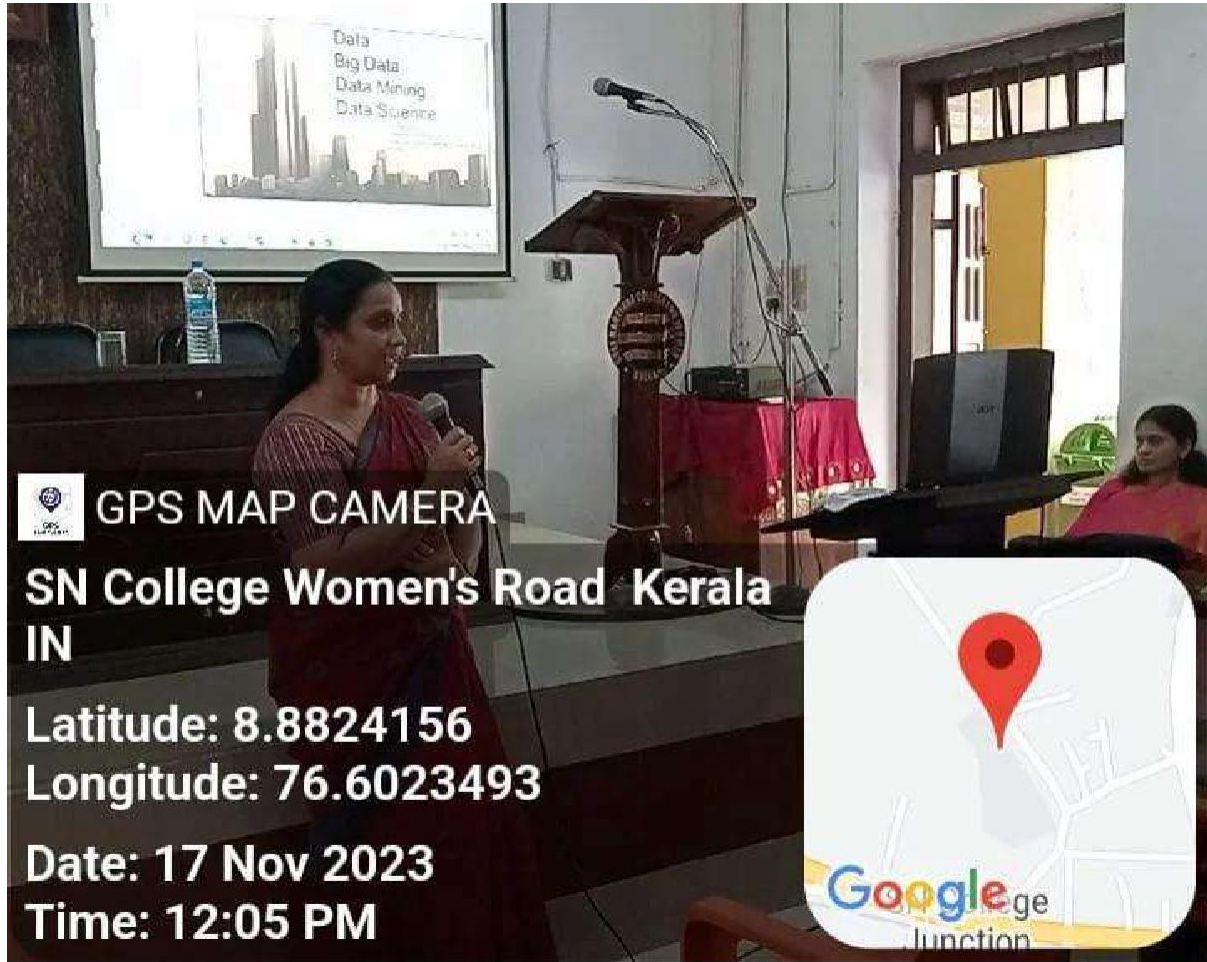

The final year B.Sc. Biochemistry and Industrial Microbiology students of Sree Narayana College for Women, Kollam, wish to undertake a visit to the Department of Biological Sciences at your esteemed Institute on 09/02/2024. The purpose of the visit is to inform our students about the resources this esteemed institution in our nation offers for advanced study and research in a varied areas in the field of biological science. The team will consist of two faculty members and twenty-five students. I request you to kindly grant us permission for the visit.

Hoping a favourable response from you.

DEPARTMENT OF CHEMISTRY

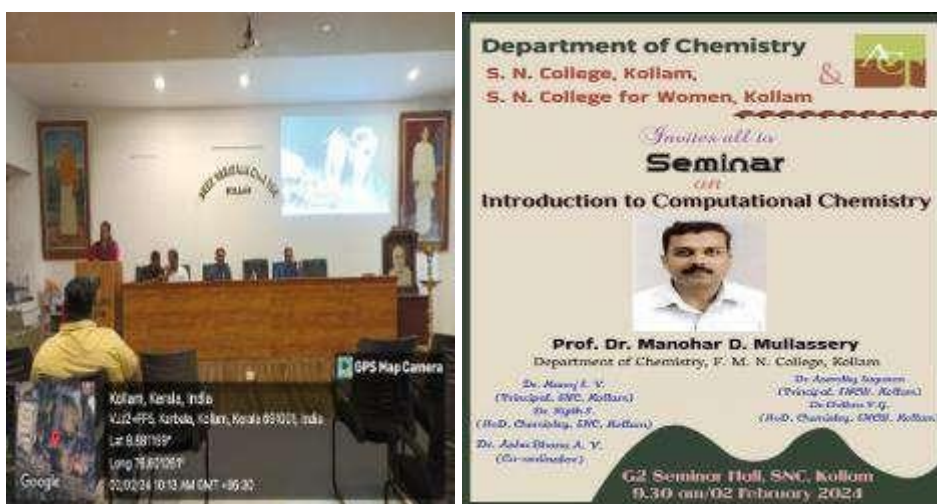

Department organized two-week internship program for UG and PG students in collaboration with Central Institute of Plastic and Engineering Technology (CIPET), Palakkad

As part of the annual one-day meal program organized by the Department of Chemistry, a service to society, we visited an old age home 'Pakal Veedu' at Mangad on 22/12/2023

Organized one day seminar on Computational Chemistry in association with SN College, Kollam and ACT on 02/02/2024

The Chemistry Department's yearly newsletter ‘Thanmathra’” was released on 06/03/2024 by Dr. Aswathy Sugunan, Principal, Sree Narayana College for Women, Kollam. The Newsletter encapsulates the remarkable journey of our department over the year 2023-24, highlighting faculty accomplishment, student achievements, and events. Along with the news letter release, our department facilitated the achievements of our top performing students.
